

DRAFT 2

Children with Disabilities and Complex Health Needs Steering Group

Terms of Reference

- To bring together key stakeholders for the purpose of service planning and development
- To promote the inclusion of children with disabilities as full participant members of the community
- To establish, monitor and review an Action plan based on the County Strategy agreed by the Children and Young People's Partnership
- To identify the commissioning needs of the children, young people and families and develop effective commissioning intentions
- To ensure that services are provided in an integrated way whenever possible and that assessment and care planning systems and processes are in place to support this
- To ensure that service users and carers are full participants in service planning
- To promote equitable access to services across the County in our planning and development
- To ensure that all stakeholders are kept informed and progress is shared through agreed ways of information sharing and communication
