Promoting Children and Young People's Wellbeing in Worcestershire.  
 Common Assessment Framework, Lead Professional and Information Sharing.  
**Visit the website: [www.worcestershire.gov.uk/iwp](http://www.worcestershire.gov.uk/iwp)**

I hope you enjoy reading the October edition of the IWP newsletter. It is fabulous to see the positive outcomes happening throughout the County as a result of early identification of need.

It is great to draw statistics from what's happening in Worcestershire. Featured in this edition are the job roles of those completing the common assessments. I have also included statistics of the child or young person including age, gender and ethnicity. I will continue to feedback on the statistics from the completed common assessments as the programme develops.
