Membership Renewal 2010

Dear Colleague

Happy New Year!

I hope 2009 was a successful year for your organisation and that you will continue to be able to support young people during 2010.

I'm enclosing a membership form for 2010. Please complete the form and send it back to the office with your payment by 26th February 2010. An electronic version is available on the website if you would like to complete it on your computer.

WCVYS continues to develop to strengthen the support we provide.

During 2009 the Vinvolved Youth Volunteering programme went from strength to strength. If you have young people between 16 and 25 who are looking for volunteering opportunities or you could offer opportunities to other young people to work with your group please get in touch.

We continue to provide a service for Disclosures from the Criminal Records Bureau (CRB) and the first five for each member during the year are free of WCVYS administration charges. As the new Independent Safeguarding Authority comes fully on-line we will keep you updated of the implications for your group.

The voluntary and community sector plays a significant part in the provision of opportunities for children and young people. In order to ensure that the contribution of the sector is recognised WCVYS has agreed to collate some data to be included in the monitoring of Worcestershire's Children and Young People's Plan. Please complete the sections on the membership for as best you can.

WCVYS continues to look for opportunities to improve our services and we are considering a number of options over the coming months. Our monthly newsletter aims to cover as many aspects as possible and to keep members up to date with developments and opportunities to suit the wide range of members we have.

Best wishes for a successful 2010.

Michael Hunter
Chairman.
